

Calling all talented fine artists, photographers and sculptors

We need you to join us. On Saturday July 14 we are aligning with the Mukwonago Chamber of Commerce to add our own 'Art in the Park' event to their already popular **'Music in the Park'**.

Join us and other artists as we rally to launch a great new 'art-start' opportunity here. We will fill the park area with a great outdoor artist showcase and sale and fill the week with a plein-air event throughout the community.

Because this is a first-time event, and because we need great artists like you, we tried to make this as simple as possible.

This is a **great** one day opportunity to **display and sell your art**, and also **participate in a plein-air event** while enjoying great music, food; large crowds and more--
